Glossary Terms and Definitions

"Complaint" - An expression of dissatisfaction made to or about the Diocese, the services the Diocese offers, a diocesan worker or the handling of a complaint where a response or resolution is explicitly or implicitly expected or legally required. A complaint is not a request for service, an expression of concern, opinion, or feedback where a response is not explicitly or implicitly expected. A matter that may not be considered a complaint as defined by the policy may be recorded and referred to the appropriate operational leadership for management.

"Complainant" - The person who makes the complaint. The complainant may be the person who suffered the alleged inappropriate conduct or poor service or a person acting on another person's behalf for example, the responsible person for a child (e.g. parent) or vulnerable person (e.g. appointed guardian).

"Administrative Inquiry" - A structured process undertaken to investigate whether there is sufficient evidence to sustain a complaint. Administrative inquiries apply the civil standard (on balance of probabilities) and do not address questions of innocence or guilt; nor can administrative inquiries unilaterally achieve moral certitude in canonical jurisdictions. See Safeguarding Framework Policy 2022.

"Administrative Review Officer" - A member of the Complaint Management Service at diocesan Governance who may be allocated to finalise a complaint by Administrative Inquiry.

"Complaint management service" - The diocesan service provided by Governance that is dedicated to the resolution of complaints and includes:

- Resolution Officers who have an impartial, facilitative, and supportive role in the resolution of complaints at the Agency, and
- Administrative Review Officers who may be allocated to finalise a complaint by the completion of an Administrative Inquiry.

"Complaint management system" - All policies, procedures and practices used by the Diocese in the management of complaints.

"Dispute Resolution" - Involves the people who are in dispute talking about the issues between them and working towards an agreement on how these issues may be resolved. The conversation between the people who are in dispute may be facilitated by an impartial person, such as a mediator.

"Feedback" - Opinions, comments, compliments and expressions of interest or concern, made directly or indirectly, explicitly, or implicitly, to or about the Diocese, the services offered by the Diocese or complaint handling where a response is not explicitly or implicitly expected or legally required.

"Resolution Officer" - A member of the Complaint Management Service at diocesan Governance who has an impartial, facilitative and support role in the resolution of complaints at the agency.

"Agency" - Diocesan agencies may also be referred to as directorates. Diocesan agencies are intra-diocesan organisational structures that have been established and developed in the life of the church, to undertake good works and services on behalf of the Diocese and have the capacity to bind the Diocese to its actions. For the most part, but not exclusively, diocesan agencies are led by executive directors. Examples of Diocesan agencies include:

• CatholicCare Social Services Hunter-Manning; • Catholic Community Fund (including Catholic Development Fund Maitland-Newcastle (CDFMN)); • Catholic Schools and the diocesan systemic schools; • Hunter Community Housing; • St Nicholas services including Early Education centres and Out of School Hours Care (OOSH) services; and • Shared Services, which is inclusive of multiple specialist tertiary providers to diocesan parishes and agencies, that forms part of the Diocesan Curia.

"Catholic Diocese of Maitland-Newcastle (the Diocese)" - The Catholic Diocese of Maitland-Newcastle (the Diocese) is inclusive of all parishes and agencies, communities, ministries and works that are under the authority of the Bishop of Maitland-Newcastle. The Bishop takes his authority from Canon Law (Canons 375-402). The geographical coverage of the Diocese includes all or part of the Newcastle, Lake Macquarie, Maitland, Cessnock, Port Stephens, Singleton, Muswellbrook, Upper Hunter, Dungog and Mid-Coast local government areas, with almost 160,000 Catholics, 38 parishes and serviced by multiple diocesan ministries and agencies. The Diocese is not wholly geographic in nature. There are elements of the Catholic Church operating within the physical boundaries of the Diocese that do not fall under the authority of the Bishop and are not a part of the Diocese. Equally, particular diocesan ministries occur within external institutions (e.g. Prison Chaplaincy, Hospital Chaplaincy).

"Senior leader" - Refers to those positions and roles that constitute canonical offices, report or relate directly to the Bishop, are members of the Diocesan Leadership Group or are otherwise specified as such by the Bishop. The roles and offices that form part of the diocesan senior leadership include: Chancellor; Vicar General Chief Financial Officer; Chief Operating Officer; Chief Governance Officer; Directors of Agencies; Directors of Shared Service Departments; and parish priests.

"Worker" - A person who carries out work in any capacity for an employer or 'Person Conducting a Business Undertaking'. This includes: • employees; • teachers; • educators; • contractors; • apprentices; • clergy; • religious; • student placements; • trainees; and • volunteers/unpaid . In the Catholic Diocese of Maitland-Newcastle, 'worker' includes those who carry out work in diocesan parishes, within diocesan agencies and as a part of the diocesan curia.
