- ◆ Prevention: responding quickly to suspected cases of abuse
- ◆ Proportionality: making sure what we do is appropriate to the situation and for the individual
- ◆ Partnership: sharing the right information in the right way
- ◆ Accountability: making sure all agencies have a clear role

"St Nicholas Early Education" - St Nicholas Early Education is a community in which children and young people develop the cultural, spiritual, physical and educational skills to belong in a contemporary world. In the Catholic Diocese of Maitland-Newcastle, 'worker' includes those who carry out work in diocesan parishes, within diocesan agencies and as a part of the diocesan curia.
